About:

The first thing you need to know about me is that I am handsome. If you like small, stocky guys, you will love me!! I am a little guy.... only 47 lbs but I am still a lot to love! I have a fabulous personality, if I do say so myself. I am smart, eager to please, love treats and I make a fantastic lap dog. I am great in the car and in my crate and I love attention. I am even good with dogs!! Am I the whole package or what??? By the way, my name is Cheese because when the police found me and drove me around in the back of a police cruiser looking for my family I had the cheesiest smile on my face EVER!!! Apply to adopt me today!! Pocket pits don't come cuter than me! Cheese's adoption fee is \$175. He is up to date on age appropriate vaccinations, neutered, and microchipped.
