About:

Hi there, my name is Feather because my foster family says I'm beautiful and gentle just like a feather. Also my coat looks feathered! I'm shy at first, but I do like to play once I warm up. See, I was pulled from a crowded and loud shelter and I was so scared I almost couldn't move. Now, I love hanging out with my foster siblings whether they have 2 legs or 4! I'm so glad to have friends now and I can't wait to have a forever home were I can give my family lots of kisses!
