About:

Meet Hansel and Gretel, aka Handsome Hansel and Gorgeous Gretel. These 7ish month old brother and sister bonded pair came to AAP after being rescued from a rough life of outdoor living with very little to no interaction with people. Hansel and Gretel are the two sweetest dogs you will ever met. Gretel is the sweetest little girl who loves to be loved on and smiles all the time. Hansel is the perfect gentlemen and big brother, always gentle with his people and staying close by his sister's side. They are shy at first and take a moment to warmup to new people and become comfortable with new surroundings, but once they do, be prepared for non-stop cuteness and love! Hansel and Gretel have a lot of energy and would love a fenced -in backyard to play in and to go on daily walks. They get along great and love playing with the older dogs and puppies in their foster home. Hansel and Gretel also do amazing with the kiddos in their foster home, too. At the end of the day, they love to come inside and cuddle up on a soft dog bed, chew on a Nylabone, and chill out with the family. Are you ready to make this sweetest, most cutest, loving bonded pair apart of your family? Apply to adopt Hansel and Gretel today!! Hansel and Gretel's adoption fee is \$350. They are up to date on age appropriate vaccinations, spayed and neutered, and microchipped.
