About:

Meet Joni (aka Wonder Woman to her foster family)! Joni is about 2-3 years old and a petite pocket pitty. Joni is dog and kid friendly (emphasis on kids – she loves them!). This super girl is even a "wonder" in her crate and is fully house trained! Fully trained!? Can you believe it!? Joni would love to have an active family to go on walks/play with and then snuggle on the couch with. Apply quickly before she's off to save the day! Joni's adoption fee is \$200. She is up to date on age appropriate vaccinations, spayed, and microchipped.
