## About:

Hiya!! I'm Krueger! My foster mom thought it would be funny to name me after a really scary guy, but I'm not scary at all! I'm the sweetest puppy you'll ever meet! Ask everyone who has ever met me; I'm a really lovable, snuggly guy. I'm around 11 weeks old and working on normally puppy training stuff, like potty training. I'm working hard at all of it though and know I'll get it down eventually. I love other dogs and cats too! I'm even great with kids! Apply to adopt Krueger today! Krueger is up to date on age appropriate vaccinations, neutered, and microchipped. His adoption fee is \$200.
