About:

Hi I'm Pepp! I'm 12-weeks old and absolutely love playing with my sister, (her name is Delores!) and my foster puppy brother. I also LOVE kids. I get so excited whenever I get to run around with them outside. Cats are cool with me too, I mostly just leave them alone. My foster family says that I'm sweet, playful, cuddly and smart. I'm working on my house training, I do better everyday, sometimes my humans just don't know what I'm telling them! I would love to find a furever family that loves to play, cuddle and ready to love, be patient and train me to be the best addition to their family! Pepp's adoption fee is \$200. He is up to date on age appropriate vaccinations, neutered, and microchipped.
