### About:

Hello my name is Rupp! I am an 11 week old Pit / Boxer mix. Me and my brother are two peas in a pod. We really love to play with one another and romp around the house. Sometimes my Uncle Remi gets involved and he's a lot of fun but I usually choose to watch him and my brother from afar because they really get after it. I'm a very ambitious little fella who loves to explore and really doesn't know a stranger. I love to sleep in laps. They are literally my favorite place to be. I am working on potty training and have some bells that I jingle when I need to potty. I'm learning but sometimes...when ya gotta go ya gotta go. And those bells can be far away! I like my crate overnight and will go into it when I want to chill. Sometimes they put me in there when I just I want to hang out and I cry a little. Momma says I'm a big baby about it. I would love to find a furever family to call home! Rupp's adoption fee is \$200. He is up to date on age appropriate vaccin...
