## About:

Hopscotch came to us from Switzerland county shelter. She is a beautiful torbie and has an exotic kitty look about her. Her sister was adopted and she was very sad! We put her with 3 other kitties and she was much happier! Hopscotch purrs as soon as she sees a person, too! Born around 2/20/2021, she is spayed, microchipped, vaccinated and negative for fiv/felv. Adoption fee \$70 or 2 for \$100. Fostered with Peekaboo, Tag-itha and Patty Cake.
