## About:

My name is Leith, I was born to a feral mom and we were living outside in an old car. Our mom did her best taking care of us, but we were scooped up by Purrfect Friends so we would have a chance at an indoor life. I was really nervous and shy at first, but people really aren't so bad and I got used to living inside really quickly. I love to play with my brothers and sisters and my toys! Greer, Francis, Kenna, Leith and Mary Stuart are siblings born around 9/18/18. They are fixed, microchipped, vaccinated and negative for felv. Adoption fee \$70 or 2 for \$100. If interested in one or two of these cuties, please fill out our application at <http://www.purrfectfriendscatrescue.org/adoptform.html>
