About:

Angel is a 16 month old black female Flat Coated Retriever/Labrador Retriever. She currently weighs 52 lbs. but would be ok gaining a few pounds. Angel is housebroken, crate trained and walks well on a leash. She is timid and shy and will need some time to get to know you. Angel is not much of a barker. She would do best in a home with a fenced yard and no children under 13 years of age. Our adoption fee includes the dog's spay/neuter surgery, parvo/distemper shots and rabies shots (for dogs over 3 months), deworming, microchipping, flea and tick protection, heartworm testing (for dogs over 6 months), and monthly heartworm protection until the dog gets adopted. We have provided as much information about this dog as we have available at this time. If you are interested in this dog, fill out an application at <http://www.dreamhouserescue.org>.
