About:

Aurora is a 12 week old female Beagle/Labrador Retriever mix. We think she will only weigh 30 lbs. when full grown. She is a happy, affectionate and playful girl. She is crate trained and progressing well on her potty training and leash walking skills. Aurora is good with dogs and kids. We have provided as much information about this dog as we have available at this time. Please do NOT send an email or leave a voice message requesting additional information. If you are interested in this dog, fill out an application at <http://www.dreamhouserescue.org>. If you would like a private meet and greet to introduce this dog to your current pet, you must complete an application first then call or text Sue at 513-484-9840. Your puppy can't be adopted but you can take it home foster-to-adopt. You must agree to bring your puppy to our vet for its spay/neuter appointment. A \$150 deposit is required. If needed, we can lend you a crate until your puppy's adoption is finalized. Sue (513-484-9840) will work with you to schedule a convenient spay/neuter appointment. You may drop off the puppy before the office closes the night before the appointment or drop off the puppy by 8 am the day of the spay/neuter appointment. The vet office will call you with an update on your puppy and advise what time the puppy can be picked up (usually after 4 pm). When you pick your...
