### About:

This adorable little superhero is BATMAN, a 9 year old 30 lb. mixed breed guy looking for a new home. He's a low key boy who loves attention. He was adopted from SDHR 7.5 years ago, but his person is no longer able to care for him. Batman is housebroken, crate trained, good with people of all ages and other dogs. Batman doesn't care for Catwoman or any other felines. He' would be a perfect little companion for a senior. If you'd like to meet Batman, please fill out a dog foster-to-adopt application at [dreamhouserescue.org](http://dreamhouserescue.org). All of our fully-vetted adoptable dogs go to prospective homes for a one-week trial foster-to-adopt period to make sure the dog and home are the right fit before an adoption is finalized. We only adopt dogs into homes where all current pets are spayed/neutered and current on vaccines and heartworm and flea and tick prevention. We do check veterinary references to make sure adopters are compliant with standard veterinary care.
