About:

My sister, Betty Davis and I were born feral at the house of a client of a vet clinic. We were trapped and brought to the clinic where they were socialized and learned that humans are OK. We love to play! I am more outgoing and trusting than my sister and I'm a licker. My sister takes a minute to warm up (well, she IS a tortie, after all!) but she loves to cuddle. For more information call or text Dana at 513-260-3969 or go to www.dreamhouserescue.org and fill out the cat adoption application. She will be at the Eastgate PetSmart Saturdays from 12-4.
