About:

My brother Bear and I were born feral at the house of a client of a vet clinic. We were trapped and brought to the clinic where they were socialized and learned that humans are OK. We love to play! Bear is more outgoing and trusting than I am and he's a licker. I take a minute to warm up (well, I AM a tortie, after all!) but I love to cuddle. For more information call or text Dana at 513-260-3969 or go to www.dreamhouserescue.org and fill out the cat adoption application. She will be at the Eastgate PetSmart Saturdays from 12-4.
