About:

BOOBERRY is an adorable 6 year old 9.6 lb. Yorkshire terrier mix boy looking for a furever home. Booberry is a friendly, personable little guy, good with cats and other dogs. He's super affectionate. Booberry lived his life indoors and is peepad trained, he's working on housebreaking in his foster home. This friendly little boy will require regular grooming to keep him looking and feeling fabulous. Booberry would be a quiet dog who would be fine in an apartment or condo. If you'd like to meet Booberry, please fill out a foster-to-adopt application at dreamhouserescue.org. All of our fully-vetted adoptable dogs go to prospective homes for a one-week trial foster-to-adopt period to make sure the dog and home are the right fit before an adoption is finalized. We only adopt dogs into homes where all current pets are spayed/neutered and current on vaccines and heartworm and flea and tick prevention. We do check veterinary references to make sure adopters are compliant with standard veterinary care. PLEASE NOTE: after applying for a dog PLEASE keep an eye on your email spam/junk folder to make sure you don't miss any messages from us. Also please consider answering calls from unfamiliar 513 area code numbers. You can't adopt one of our dogs if we can't reach you.
