About:

Charlie is a 1 year old Chihuahua mix that was picked up as a stray and not reclaimed. He was very underweight at 7 lbs. when he should have weighed at least 12 lbs. Charlie has been eating well and is gaining weight. Charlie has a big personality, is super friendly and has the cutest underbite. Charlie likes other dogs his size but no cats. He is low to medium energy and will sit in your lap for hours. As he is only 9 pounds we recommend children over 5. We are only taking applications at this time as he has a broken tail which needs some time to heal. Our adoption fee includes the dog's spay/neuter surgery, parvo/distemper shots and rabies shots (for dogs over 3 months), deworming, microchipping, flea and tick protection, heartworm testing (for dogs over 6 months), and monthly heartworm protection until the dog gets adopted. We have provided as much information about this dog as we have available at this time. If you are interested in this dog, fill out an application at <http://www.dreamhouserescue.org>. If you would like a private meet and greet to introduce this dog to your current pet, you must complete an application first then call or text Sue at 513-484-9840. We offer a one week trial period called Foster to Adopt with an approved application and a \$100 deposit. We can also lend you a wire crate for the trial period.
