About:

This handsome devil is Clyde, a happy-go-lucky wiggle-butt of a bully breed mix boy, probably an American bulldog/pit bull terrier mix. He's 2.5 years old and slightly underweight at 47lbs. Clyde loves everybody. He's dog friendly, great with people of all ages, playful and energetic. Clyde charms everyone he meets. He needs a fenced yard where he can run around and be silly. Clyde was surrendered to an overcrowded rural shelter, and now he's ready for the good life. If you'd like to give Clyde a loving furever home, please fill out a foster-to-adopt application at dreamhouserescue.org. All of our adoptable adult dogs go to prospective homes for a one-week trial foster-to-adopt period to make sure the dog and home are the right fit before an adoption is finalized. We only adopt dogs into homes where all current pets are spayed/neutered. We do check veterinary references to make sure adopters are compliant with standard veterinary care (vaccines, heartworm testing, etc). Please be sure to include your vet's phone number on your application.
