### About:

Comet is a male 2 year old long-haired chihuahua that weighs just 8 lbs. He is a true lap dog. Comet is housebroken, crate trained and walks well on a leash. He is playful and affectionate. Comet is good with dogs, cats and kids. However, due to his size we would prefer a forever home with no large dogs and children who have experience with little dogs. Our adoption fee includes the dog's spay/neuter surgery, parvo/distemper shots and rabies shots (for dogs over 6 months), deworming, microchipping, flea and tick protection, heartworm testing (for dogs over 6 months), and monthly heartworm protection until the dog gets adopted. If you are interested in this dog, fill out an application at <http://www.dreamhouserescue.org>. You can meet this dog in person Saturday at Eastgate Petsmart between 12-4 pm. Would you like a private meet and greet to introduce this dog to your current pets? Call or text Sue at 513-484-9840 or Bonnie at 513-967-0007. Not sure? Ask about our Foster to Adopt program. Sweet Dream House Rescue is holding adoption events this Saturday (12-5 pm) at the Newport Petsmart (156 Pavilion Parkway, Newport, KY) and on Saturday (12-4 pm) at the Eastgate Petsmart (650 Eastgate South Dr., Cincinnati, OH).
