### About:

Hope is a 5 month old Labrador Retriever mix. She currently weighs 35 lbs. and we think she will be around 50 lbs. when full grown. Hope is crate trained and walks well on a leash. She is progressing well on her house breaking. Hope loves dogs and playing with her foster siblings. We think she would do best in a home with an active family and a fenced yard. Our adoption fee includes the dog's spay/neuter surgery, parvo/distemper shots and rabies shots (for dogs over 3 months), deworming, microchipping, flea and tick protection, heartworm testing (for dogs over 6 months), and monthly heartworm protection until the dog gets adopted. We have provided as much information about this dog as we have available at this time. If you are interested in this dog, fill out an application at <http://www.dreamhouserescue.org>. If you would like a private meet and greet to introduce this dog to your current pet, you must complete an application first then call or text Sue at 513-484-9840. We offer a one week trial period called Foster to Adopt with an approved application and a \$100 deposit. We can also lend you a wire crate for the trial period. You can meet this dog in person Saturday (12-4 pm) at Eastgate PetSmart (650 Eastgate South Dr., Cincinnati, OH).
