About:

JOSH is a super fun adorable puppy with a buddha belly and ridiculous unruly ears. He is a fun, adorable, playful and perfect. Josh came from a shelter as a singleton pup so we know nothing about his parents, he's just an adorable mixed breed boy. He's currently 18 lbs. and our best guess is he will be 60ish pounds when fully grown. Josh is a silly boy who needs a home with an adopter committed to training him to become a well-mannered family member. He would love another doggo to play with and plenty of toys. If you'd like to meet Josh, please fill out a dog adoption application at dreamhouserescue.org. Josh will go to an adoptive home on a foster-to-adopt basis. His adoption will be finalized when all of the vetting covered by his adoption fee is completed. We only adopt dogs into homes where all current pets are spayed/neutered and current on vaccines and heartworm and flea and tick prevention. We do check veterinary references to make sure adopters are compliant with standard veterinary care.
