About:

Kodi is a male Boston Terrier mix puppy that is just 4 months old. Mom was a Boston Terrier but we're not sure about daddy. He currently weighs 8 lbs. and will likely weigh under 20 lbs. when full grown. Kodi is good with dogs, cats and kids. He is working hard on housebreaking, crate and leash training. Our adoption fee includes the dog's spay/neuter surgery, parvo/distemper shots and rabies shots (for dogs over 3 months), deworming, microchipping, flea and tick protection, heartworm testing (for dogs over 6 months), and monthly heartworm protection until the dog gets adopted. We have provided as much information about this dog as we have available at this time. If you are interested in this dog, fill out an application at <http://www.dreamhouserescue.org>. If you would like a private meet and greet to introduce this dog to your current pet, you must complete an application first then call or text Sue at 513-484-9840. We offer a one week trial period called Foster to Adopt with an approved application and a \$100 deposit. We can also lend you a wire crate for the trial period. You can meet this dog in person Saturday (12-4 pm) at Eastgate PetSmart (650 Eastgate South Dr., Cincinnati, OH).
