About:

Well well well, what have we here? Could it be a blue merle beagle mix? Meet MACARONI, a stunning beagle mix boy with gorgeous blue merle markings. Macaroni is silliness on 4 legs. He's about 1 year old and fully grown at 29 lbs. Macaroni is very playful boy who needs to run and play. He's dog friendly and best suited to a home with a physically-fenced yard with another playful dog. Macaroni loves toys and a good chewy. He needs a bit of work on his manners, but he's verry food motivated and responsive which is helpful when training. If you'd like to meet Macaroni, please fill out a dog foster-to-adopt application at dreamhouserescue.org. All of our fully-vetted adoptable dogs go to prospective homes for a one-week trial foster-to-adopt period to make sure the dog and home are the right fit before an adoption is finalized. We only adopt dogs into homes where all current pets are spayed/neutered and current on vaccines and heartworm and flea and tick prevention. We do check veterinary references to make sure adopters are compliant with standard veterinary care.
