About:

This sweetie was born under a house with her 5 brothers and sisters. Mom kept them hidden from all the hazards in the neighborhood then, when the time was just right, she brought them to the people who had been feeding her all that good food. They are in a great foster home and will be ready for adoption after their surgeries on October 17th. Like all of our kittens we encourage adopting in pairs so they have a companion to play with, get into things with and learn from so the adoption fee is \$80 for one but \$120 for two! For more information call or text Dana at 513-260-3969. You can go to www.dreamhouserescue.org and fill out the cat adoption application.
