Shots:	Up-to-date
Training:	Obedience Training

About:

Tigerbelle is a gorgeous long legged brindle Chihuahua mix. This is not your grandmother's dog! She is very curious and always moving unless she is curled up in your lap. You'll need to keep a leash on Tigerbelle because she will dart out the front door and run down the street. She is good with dogs her size and is a little intimidated by bigger dogs. Tigerbelle is fine with cats and will eat their food if she can get to it. She is housebroken and still needs some work walking on a leash. Tigerbelle HATES to be crated and will scream and bark if put in one. Our adoption fee includes the dog's spay/neuter surgery, parvo/distemper shots and rabies shots (for dogs over 6 months), deworming, microchipping, flea and tick protection, heartworm testing (for dogs over 6 months), and monthly heartworm protection until the dog gets adopted. If you are interested in this dog, fill out an application at <http://www.dreamhouserescue.org>. You can meet this dog in person Saturday at Eastgate Petsmart between 12-4 pm. Would you like a private meet and greet to introduce this dog to your current pets? Call or text Sue at 513-484-9840 or Bonnie at 513-967-0007. Not sure? Ask about our Foster to Adopt program. Sweet Dream House Rescue is holding adoption events this Saturday and Sunday from (12-5 pm) at the Newp...
